

KB9 Electronic Keyboard 61-key Lighting

Ref. nr.: 130.104

Quick Start Guide

Thank you for purchasing this Max Music product. We understand that you would rather power up the keyboard immediately to play out of your skin, but first carefully check the contents to ensure that all parts are present and have been received in good condition. Notify the shipper immediately and retain packing material for inspection if any parts appear damaged from shipping or the package itself shows signs of mishandling. Save the package and all packing materials. If the product must be returned to the factory, it is important that the product is returned in the original factory box and packing.

If the device has been exposed to drastic temperature fluctuation (e.g. after transportation), do not switch it on immediately. The arising condensation might damage your device beyond repair. Leave the device switched off until it has reached room temperature.
