# USB QUANTUM LASER

B06223

Description

A very versatile laser effect for all your home parties (80mW red + 100mW blue)

Features

- A very versatile laser effect for all your home parties.
- CLASS 3R Laser powered by a 80mW (650nm) red and a 100mW (450nm) blue laser.
- The laser beams are split into an impressive number of beams to create amazing, room filling effects.
- The unit is equipped with 8 grating effects to create different patterns.
- Integrated automatic and sound controlled shows.
- The unique concept offers almost unlimited possibilities. You can power and control the unit in many ways:
    - Do you like it simple and easy ? → Just use the function switch on the unit (off-auto-sound)
    - Do you like to have some control ? → Use the supplied wireless IR remote to select your programs
    - Do you like it mobile ? → Use a power bank or car adapter to power the unit
    - Do you prefer a more impressive setup and full control ? → Connect it to the USB PARTYSET: all effects will work synchronously and DMX control becomes available
- DC 5V-2A USB power adapter + USB A → USB C cable included.

Technical Specifications
